HACHETTE AUSTRALIA

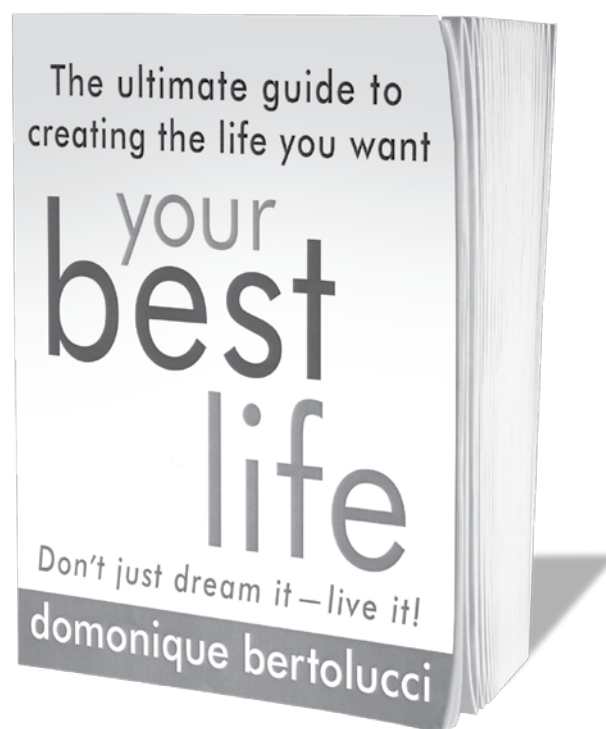

Want to change your life?

Don't procrastinate any longer – strikeout for change TODAY!

Widely recognised as an expert on how to achieve real success Australian author and life coach Domonique Bertolucci has written *Your Best Life* for people who want to achieve ambitious personal and professional goals without burning out or losing sight of who they are and why they wanted it all in the first place!

After a successful career in the corporate sector, where she earned a reputation for turning around dysfunctional and under-achieving teams, and managing high performers, Domonique decided to establish her company Success Strategies in Sydney. She has since become recognised as one of Australia's most successful life coaches and regularly appears on TV, radio and in print to talk about personal transformation and effective techniques for creating success in your personal and professional life.

If you want to think about what it is you really want from life, and why you haven't been living that way up until now then *Your Best Life* is a must read!
